

# Certificate of Conformity

## Double-sided Adhesive Tape (3M 410M)

**Product Code: 3850**

Unit Size	1 Roll – 33 metre
Batch:	DT1
Year of Manufacture:	2014

### Statement of Conformity

**This is to certify that the Double-sided Adhesive Tape has been produced for use in the Marks and Spencer PLC P18A & P18B test methods.**

### Packaging

Please ensure that the product is retained in its original SDCE packaging, which contains the correct batch details. All product packaging is tested to ensure there are no contaminants or BHT content that could cause degradation of the product.

Pack sizes are measured and approved using UK weights and measures act.
