Independent Testing

The OBA-Free Light Fastness Mounting Card is designed to complement our range of SDC Blue Wool Light Fastness Standards.

The cards are totally free from optical brightener, to ensure that all grading of the blue wool standards is unaffected by possible the effects of UV in the backing card.

Packaging

Please ensure that the product is retained in its original SDCE packaging, which contains the correct batch details. All product packaging is tested to ensure there are no contaminants or BHT content that could cause degradation of the product.

Pack sizes are measured and approved using UK weights and measures act.
