Statement of Conformity

This is to certify that the Polypropylene Net Fabric has been produced and independently tested to conform to the specifications described in ISO 105 C06 and for use in other ISO related colour fastness tests.

Independent Testing

Where applicable, to ensure that all results are accurate, unbiased and impartial, testing is carried out in **Independent UKAS Accredited Test Laboratories** and sampling is conducted using ISO guidelines as a minimum requirement.

Internal Master Standards

Conformity of Polypropylene Net over time, between and within batches, is vital to give consistent results and enable accurate comparison of test specimens to performance requirements. Polypropylene Net is compared during every test with a Master Standard, this guarantees no drift in performance over time.

Packaging

Please ensure that the product is retained in its original SDCE packaging, which contains the correct batch details. All product packaging is tested to ensure there are no contaminants or BHT content that could cause fabric yellowing. Pack sizes are measured and approved using UK weights and measures act.
