

# Certificate of Conformity

## Physical Verification Fabric

**Product Code: 2955**

Unit Size	1 Metre Pack
Batch:	VPH1
Year of Manufacture:	2014

### Statement of Conformity

**This is to certify that the Physical Verification Fabric has been produced and independently tested to conform to the specifications and continuity of SDC Enterprises Standard.**

### Independent Testing

Where applicable, to ensure that all results are accurate, unbiased and impartial, testing is carried out in **Independent UKAS Accredited Test Laboratories** and sampling is conducted using ISO guidelines as a minimum requirement.

### Internal Master Standards

Conformity of Physical Verification Fabric over time, between and within batches, is vital to give consistent test results and enable accurate comparison of test specimens to performance requirements.

### Packaging

Please ensure that the product is retained in its original SDCE packaging, which contains the correct batch details. All product packaging is tested to ensure there are no contaminants or BHT content that could cause fabric yellowing.

Pack sizes are measured and approved using UK weights and measures act.
